

Topical Collection

Exclusive Papers of the Editorial Board Members (EBMs) of Hemato

Message from the Collection Editors

This Special Issue of *Hemato* is dedicated to recent advances in hematology, hematopathology, cellular biology, immunology, and molecular biology research areas and comprises a diverse selection of exclusive papers of the Editorial Board Members (EBMs) of *Hemato*. It focuses on highlighting recent interesting investigations conducted in the laboratories or clinics of our journal's EBMs and represents our journal as an attractive open-access publishing platform for hematology-related research data.
