Message from the Guest Editor

Dear Colleagues,

The following research subjects were proposed for Eji-Pater by the organizing committee (<https://ejipater.wixsite.com/eji17eng/organization>) and are indicated here as possible suggestions:

- (a) Culture and Territory;
- (b) Contexts and Representations;
- (c) Methods and Technology;
- (d) Memory and Places;
- (e) Time and Materials;
- (f) Environments and Society.

However, following the intended purpose of Eji-Pater, this Special Issue is also open to contributions on other subjects that are related to the major research themes mentioned above (Heritage and Territory).

Message from the Editorial Board

Heritage is an international, peer-reviewed, open access journal that focuses on knowledge, conservation, interpretation and management of cultural and natural heritage, by presenting and enabling novelty and advances in sensing technologies, novel methods, best practices and policies. *Heritage* has the ambition to become a “cultural forum”, where scientists and experts offer answers to significant issues affecting cultural and natural heritage, by creating a knowledge bridge between different technological and social disciplines. *Heritage* has an Editorial Board of eminent international leaders and this ensures rigorous peer-review processing for high quality and novel papers. We strongly recommend *Heritage* for the rapid and professional publication of your innovative research and case studies.
