

Special Issue

Marketing Strategies of the Horticultural Production Chain

Message from the Guest Editor

Horticulturae is launching a Special Issue on marketing and economics. We encourage the submission of high-quality papers related to all aspects of horticulture economics, marketing and management including horticulture production of fruits, vegetables and green industry products; adoption of new technologies and production practices; processing, distribution and transportation; marketing and consumer preferences; international trade; policy analysis; food safety; and the role of horticulture in food security, nutrition and health.

Guest Editor

Dr. Marco A. Palma

Department of Agricultural Economics, Texas A&M University, 600 John Kimbrough Blvd., Suite 330D, 2124 TAMU, College Station, TX 77843, USA

Deadline for manuscript submissions

closed (15 October 2018)

About the Journal

Message from the Editor-in-Chief

Horticultural plants and their products provide sustenance, health, and beauty. A confluence of factors is putting increasing pressure on horticultural production to evolve, and innovative research is addressing these challenges. *Horticulturae* provides a venue to communicate research results in a rapid manner with open access, allowing everyone the opportunity to stay abreast of leading research addressing horticulture. I invite you to consider publishing the results of your research in this high quality, peer-reviewed journal.

Editor-in-Chief

Prof. Dr. Luigi De Bellis
Department of Biological and Environmental Sciences and
Technologies (DiSTeBA), Salento University, Lecce, Italy
