French Fantasy Literature

Message from the Guest Editors

Malgré la place prépondérante de la fantasy dans le paysage littéraire mondial, les contributions des auteurs français restent peu étudiées dans la recherche anglophone. Ce numéro spécial vise à mettre en lumière la richesse et la diversité de la fantasy française contemporaine, ses cadres théoriques et sa place au sein de la tradition Fantasy plus large. Nous accueillons des propositions sur des thématiques incluant, sans s'y limiter :

- Études sur les auteurs contemporains de fantasy française et leurs œuvres
- Analyses de romans récents d'écrivains français de fantasy
- Entretiens avec des auteurs de fantasy français
- Approches théoriques de la littérature fantasy française
- Études comparatives entre la fantasy française et d'autres traditions nationales
- Exploration des sous-genres de la fantasy française (fantasy mythologique, fantasy historique, steampunk, etc.)
- Littérature médiévale à la française

About the Journal

Message from the Editor-in-Chief

We welcome contributions that address fundamental issues in the Humanities from any meaningful perspective, combining past and present concerns in order to blaze a path toward the future. Interdisciplinary approaches are particularly welcome. All submissions will be critically reviewed by peers, aiming for the highest possible scholarly level. Being an online journal, the published papers will reach their desired audiences faster, more reliably, and much more easily than traditional print versions, while upholding the same, if not even higher, scholarly standards.
