

## Special Issue

# Tobias Smollett: Life, Works, Legacies

### Message from the Guest Editor

Often referred to as Scotland's first major novelist, Tobias Smollett also wrote poetry, plays, histories, travelogues and translations, among other things. He also edited and contributed to leading eighteenth-century periodicals such as *The Critical Review*. However, he remains best known for his picaresque novels *The Adventures of Roderick Random* (1748), *The Adventures of Peregrine Pickle* (1751) and *The Expedition of Humphry Clinker* (1771). In 2021, three hundred years after the author's birth (and two hundred and fifty years after his death), we will take stock of Smollett's life and works, as well as his influence on other writers in the past three centuries. Contributors are invited to demonstrate the full range of Smollett's imagination, from the medical to the quixotic, the satirical to the sentimental.

## About the Journal

### Message from the Editor-in-Chief

We welcome contributions that address fundamental issues in the Humanities from any meaningful perspective, combining past and present concerns in order to blaze a path toward the future. Interdisciplinary approaches are particularly welcome. All submissions will be critically reviewed by peers, aiming for the highest possible scholarly level. Being an online journal, the published papers will reach their desired audiences faster, more reliably, and much more easily than traditional print versions, while upholding the same, if not even higher, scholarly standards.

### Author Benefits

#### High Visibility:

indexed within Scopus, ESCI (Web of Science), ERIH Plus, and other databases.

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 33.7 days after submission; acceptance to publication is undertaken in 4.9 days (median values for papers published in this journal in the first half of 2025).

#### Recognition of Reviewers:

reviewers who provide timely, thorough peer-review reports receive vouchers entitling them to a discount on the APC of their next publication in any MDPI journal, in appreciation of the work done.
