

## Special Issue

# Editorial Board Members' Collection Series: Viral Infections Epidemiology

### Message from the Guest Editor

We are pleased to announce this Collection entitled “Editorial Board Members' Collection Series: Viral Infections Epidemiology”. This issue will be a collection of papers from researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication between *Infectious Disease Reports* and scholars in the field of infectious disease epidemiology. All papers will be fully open access upon publication after peer review.

#### Author Benefits

##### Open Access:

free for readers, with article processing charges (APC) paid  
by authors or their institutions.

##### High Visibility:

indexed within Scopus, ESCI (Web of Science), PubMed,  
PMC, Embase, and other databases.

##### Rapid Publication:

manuscripts are peer-reviewed and a first decision is  
provided to authors approximately 33.5 days after  
submission; acceptance to publication is undertaken in 4.9  
days (median values for papers published in this journal in  
the first half of 2025).
