Message from the Guest Editor

Dear Colleagues,

As Section Editor-in-Chief of the Sport and Health section of the International Journal of Environmental Research and Public Health, I am delighted to announce the Special Issue "Sport and Health: Feature Review Papers". This Special Issue will be a collection of reviews, narrative reviews, systematic reviews, and meta-analyses from top researchers describing the state-of-art development of a diverse set of topics related to health-related aspects of sport, performance, and physical fitness.

We hope this Special Issue is of interest to you and we invite you to send a tentative title and short abstract to our editorial office (ijerph@mdpi.com) for evaluation before submission. Please note that selected papers are still subject to thorough peer review.

We look forward to receiving your work.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
