

Special Issue

Editorial Board Members' Collection Series: Exercise Physiology

Message from the Guest Editors

We are pleased to announce the launch of a Special Issue titled “Editorial Board Members' Collection Series: Exercise Physiology”. This issue will comprise a collection of papers from researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication across the *IJERPH* community and scholars in the field of exercise physiology. All papers will be fully open access upon publication after peer review.

Guest Editors

Prof. Dr. Han C. G. Kemper

Amsterdam UMC, Amsterdam Public Health Research Institute, 1218 HD Amsterdam, The Netherlands

Prof. Dr. Mário António Cardoso Marques

Department of Sport Science, University of Beira-Interior (UBI/CIDESD), 6201-001 Covilhã, Portugal

Deadline for manuscript submissions

closed (30 June 2023)

About the Journal

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Scientific discoveries and advances in this research field play a critical role in providing a rational basis for informed decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards.

IJERPH provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality peer-reviewed journal.

Editor-in-Chief

Prof. Dr. Paul B. Tchounwou
RCMI Center for Urban Health Disparities Research and Innovation,
Richard N. Dixon Research Center, Morgan State University, Baltimore,
