# Exclusive Papers Collection of Editorial Board Members (and Invited Scholars) in Section Public Health Statistics and Risk Assessment

### Message from the Guest Editor

As the Editor-in-Chief of Public Health Statistics and Risk Assessment, I am pleased to announce this Special Issue titled “Exclusive Papers Collection of Editorial Board Members (and Invited Scholars) in the Section: “Public Health Statistics and Risk Assessment”. This Special Issue will be a collection of high-quality papers from editorial board members and leading researchers invited by the editorial office and the Editor-in-Chief. Both original research articles and comprehensive review papers are welcome. We also encourage the collaborative co-authorship of Editorial Board Members with their advanced graduate students, post-doctoral fellows, and research team members. The papers will be published, free of charge, with full open access after peer review. Prof. Dr. Jimmy Efird

## About the Journal

### Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Scientific discoveries and advances in this research field play a critical role in providing a rational basis for informed decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards.

*IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality peer-reviewed journal.
