

Special Issue

Proceedings from the 13th International Symposium on Recent Advances in Environmental Health Research

Message from the Guest Editor

This Special Issue will collate selected papers presented at the 13th International Symposium on Recent Advances in Environmental Health Research, Jackson, MS, USA, 11–14 September 2016. Topics:

1. New Frontiers in Environmental Health Research
2. Nanoscience, Nanotechnology and Nanotoxicology
3. Environmental Toxicology and Health Risk Assessment
4. Emerging Topics in Computational Biology, and Environmental Modeling
5. Health Disparities and Environmental Security
6. Medical Geology and Human Health
7. Natural Resources Damage Assessment and Management Paul B. Tchounwou

Guest Editor

Prof. Dr. Paul B. Tchounwou

RCMI Center for Urban Health Disparities Research and Innovation, Richard N. Dixon Research Center, Morgan State University, Baltimore, MD 21251, USA

Deadline for manuscript submissions

closed (28 February 2017)

About the Journal

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Scientific discoveries and advances in this research field play a critical role in providing a rational basis for informed decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards.

IJERPH provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality peer-reviewed journal.

Editor-in-Chief

Prof. Dr. Paul R. Ward

School of Society and Culture, Adelaide University, Adelaide 5001,
Australia

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, PubMed, MEDLINE, PMC, Embase, GEOBASE, CAPlus / SciFinder, and other databases.

Journal Rank:

CiteScore - Q1 (Public Health, Environmental and Occupational Health)
