Dear Colleagues,

As Editor-in-Chief of *ISPRS International Journal of Geo-Information* (*IJGI*), I am pleased to announce the winners of the *IJGI* 2023 Travel Award. The award has been granted to:

2023 TRAVEL AWARD
WINNERS

Ms. Dorothee Stiller, a PhD student at German Aerospace Center (DLR), German Remote Sensing Data Center (DFD), Wessling, Germany, focusing on new methodologies and experimental data sources for urban transportation research in the context of remote sensing and deep learning.

Ms. Yue Lin, a PhD student in the Department of Geography, The Ohio State University, Columbus OH, USA. The research and teaching interests include geographic information science, geospatial data science, geocomputation and machine learning, urban informatics, data privacy and digital justice, technology and society.

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for the diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winners on their accomplishments.

Editor-in-Chief, Prof. Dr. Wolfgang Kainz,
on behalf of the *IJGI* 2023 Travel Award Evaluation Committee
