

Special Issue

Geospatial Advances in Landscape Ecology

Message from the Guest Editors

We enthusiastically invite you to contribute your latest work and novel ideas to this Special Issue. We intend to feature new directions and recent advances in geospatial approaches that further our understanding of landscape dynamics and inform landscape stewardship and management in an ever-changing world. We welcome topics ranging from connectivity to citizen engagement, landscape planning to landscape genetics, and remote sensing to data science.

About the Journal

Message from the Editor-in-Chief

The *ISPRS International Journal of Geo-Information* invites you to submit research articles, reviews, and reports covering topics of the whole domain of geo-information. Although the journal was only founded in 2012, it has already achieved wide recognition in the scientific community. We are proud that since April 2015, our journal is indexed by the SCIE of the Web of Science. As Editor-in-Chief, I encourage you to consider *IJGI* for your scientific papers and would be pleased to welcome you as authors.

Editor-in-Chief
