Department of Molecular and
Cellular Biochemistry, Osaka
University, Suita, Japan

Deadline for manuscript
submissions:

closed (30 April 2022)

Message from the Guest Editor

Dear Colleagues,

Bone and cartilage biology has advanced significantly in the last decade. In particular, revolutionary new technologies including gene-editing techniques, bioinformatics using next-generation sequencers, and in vivo imaging approaches contribute to the paradigm shift of bone and cartilage biology. These pivotal studies promote the understanding of bone and cartilage biology at a molecular, cellular, and animal level and provide important knowledge for molecular and pathological mechanisms of bone and cartilage diseases. This Special Issue focuses on new frontiers of bone and cartilage biology and provides novel ideas for bone and cartilage diseases.

Prof. Dr. Riko Nishimura

Guest Editor

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Maurizio Battino

Department of
Odontostomatologic and
Specialized Clinical Sciences,
Sez-Biochimica, Faculty of
Medicine, Università Politecnica
delle Marche, Via Ranieri 65,

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (*Biochemistry & Molecular Biology*) / CiteScore - Q1 (*Inorganic Chemistry*)
