

an Open Access Journal by MDPI

Genetics, Genomics and Molecular Pathogenesis of Myocardial Diseases

Guest Editor:

Prof. Dr. Raffaella Lombardi

Department of Advanced Biomedical Sciences, Federico II University of Naples, 80131 Naples, Italy

Deadline for manuscript submissions:

closed (15 January 2024)

Message from the Guest Editor

The aim of this Special Issue is to provide a venue for emerging research in the area of myocardial diseases, including technological advances in the field of genetics and genomics and novel molecular and cellular mechanisms

Keywords:

- hereditary cardiomyopathies
- amyloidosis
- metabolic cardiomyopathy
- storage diseases
- peripartum cardiomyopathy
- cardiotoxicity
- takotsubo cardiomyopathy
- genetic variants
- RNA sequencing
- cardiac molecular
- cellular biology

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Maurizio Battino

Department of Odontostomatologic and Specialized Clinical Sciences, Sez-Biochimica, Faculty of Medicine, Università Politecnica delle Marche, Via Ranieri 65, 60100 Ancona, Italy

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (IJMS, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. IJMS publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in IJMS and consider publishing your next paper with us.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Inorganic Chemistry)
