

Special Issue

Recent Advances in Plant Molecular Science in China 2023

Message from the Guest Editors

This special issue aims to provide a comprehensive overview of recent advances in plant molecular science in China by inviting contributions from Chinese research institutes/laboratories that consolidate our understanding of this area. Potential topics regarding plants include, but are not limited to, biophysics, biochemistry, and molecular biology; cell biology; physiology; genomics/epigenomics; proteomics and metabolomics; bioactive phytochemicals; plant–microbe interactions; developmental biology; pests and diseases; synthetic biology; computational biology; and the development of new technologies in plant sciences. In this Special Issue, we welcome submissions in the form of comprehensive reviews or new research advancements in all the abovementioned areas.

Guest Editors

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. José L. Quiles
Department of Physiology, Institute of Nutrition and Food Technology
"Jose Mataix", Biomedical Research Center, University of Granada,
Avda. Conocimiento s/n, 18100 Armilla, Granada, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)
