

Special Issue

Advanced Study of Respiratory Syncytial Virus

Message from the Guest Editor

The respiratory syncytial virus is a significant health problem for young children and the elderly. Every year, it causes several thousands of deaths around the world. Despite the seriousness of the problem, none of the efforts by scientists to develop a vaccine against this disease have yet been successful. There is also no cure, or drug, for this disease available to patients, although publications on the development of new therapies regularly appear in the press. This Special Issue of the *International Journal of Molecular Sciences* focuses on the problems of anti-RSV drug design, vaccine development, and molecular mechanism of RSV infection.

Guest Editor

Dr. Anna A. Shtro

Smorodintsev Research Institute of Influenza, Prof. Popov St., 15/17,

About the Journal

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. Maurizio Battino

Department of Odontostomatologic and Specialized Clinical Sciences,
Sez-Biochimica, Faculty of Medicine, Università Politecnica delle
Marche, Via Ranieri 65, 60100 Ancona, Italy

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore
- Q1 (Organic Chemistry)
