

Topical Collection

Latest Review Papers in Bioactives and Nutraceuticals

Message from the Collection Editor

This Topical Collection will collect high-quality review papers in all areas of bioactives and nutraceuticals. We encourage researchers from related fields to invite relevant experts and colleagues to contribute review papers highlighting the latest developments in the fields. Full-length comprehensive reviews are preferred.

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
