

Special Issue

Plant Polyphenols: From Nature to Medical and Food Applications

Message from the Guest Editors

The Special Issue welcomes the submission of articles (original research papers, perspectives, hypotheses, opinions, reviews, modeling approaches, and methods) that focus on the latest advances in the exploration of polyphenols and their health beneficial effects.

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
