

## Special Issue

# Latest Review Papers in Molecular Oncology 2024

### Message from the Guest Editors

This Special Issue will collect high-quality review papers related to molecular oncology. We request that researchers from this field either contribute review papers highlighting the latest developments in molecular oncology or invite relevant experts and colleagues to do so. Full-length comprehensive reviews are preferred. More published papers can be found in the closed Special Issue: [Latest Review Papers in Molecular Oncology 2023](#).

## About the Journal

### Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
