

## Special Issue

# RNA Biomarkers in Neuropsychiatric Disorders

### Message from the Guest Editor

The *IJMS* Special Issue on “RNA Biomarkers in Neuropsychiatric Disorders” will be dedicated to original research or review articles which cover this wide field of research. Articles pertaining to CNS disorders will be considered for publication following favorable peer review. Such disorders include Alzheimer’s disease (AD), Parkinson’s disease (PD), major depressive disorder (MDD), bipolar disorder (BD), autism spectrum disorder (ASD), and further complex neuropsychiatric disorders. Articles on monogenic disorders will not be considered for this Special Issue. Prof. Dr. David Gurwitz

## About the Journal

### Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
