

## Special Issue

# New Insights in Cardiac Ischemic Diseases

### Message from the Guest Editors

This Special Issue is dedicated to highlighting new pathways that contribute to the development of cardiac ischemic diseases. We aim to be able to bring a better knowledge for long-term efficient management of the disease. We invite investigators to present recent advances in the comprehension of the molecular pathways leading to acute and chronic response to I/R as well as the development of new approaches to prevent adverse consequences of I/R.

- cardiac ischemic diseases
- ischemia-reperfusion
- cardiac remodeling and function
- transcriptional activity and post-translational modifications
- ischemic heart disease
- heart failure

---

### Guest Editors

Dr. Delphine Baetz

1. Univ-Lyon, CarMeN Laboratory, INSERM 1060, INRA 1397, Université Claude Bernard Lyon1, INSA Lyon, Oullins, France  
2. IHU OPERA, Groupement Hospitalier EST, Bâtiment B13, 59 boulevard Pinel, F-69500 Bron, France

Prof. Dr. Elise Belaïdi

Laboratoire HP2, Grenoble Alpes University, INSERM, CHU Grenoble Alpes, 38000 Grenoble, France

---

### Deadline for manuscript submissions

closed (31 January 2023)

## About the Journal

### Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

### Author Benefits

#### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)
