

Special Issue

The Role of Ion Channels in Health and Disease

Message from the Guest Editor

We are pleased to invite you to contribute to this Special Issue of the *International Journal of Molecular Sciences* on "The Role of Ion Channels in Health and Disease". Ion channels play critical roles in numerous physiological processes, and their dysfunction is implicated in a wide spectrum of diseases. This Special Issue aims to provide a comprehensive overview of the molecular mechanisms underlying disease development related to ion channels, as well as their potential as therapeutic targets. We welcome submissions across various disciplines, including molecular biology, electrophysiology, and genomics, as long as they pertain to ion channel research. In this Special Issue, original research articles and reviews are welcome. We look forward to hearing from you.

Guest Editor

Prof. Dr. Joohyun Nam

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. José L. Quiles
Department of Physiology, Institute of Nutrition and Food Technology
"Jose Mataix", Biomedical Research Center, University of Granada,
Avda. Conocimiento s/n, 18100 Armilla, Granada, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)
