

Special Issue

Stem Cell Research

Message from the Guest Editor

This Special Issue is divided into two parts. One part will cover a selection of recent research topics and current review articles in the field of stem cell research.

The other part will present selected contributions from the 3rd International Congress on Responsible Stem Cell Research (<http://www.stemcellspadua.org/>) that is chaired by Professor Katarina Le Blanc at Congress Center Papa Luciani, via Forcellini 170/a, 35128 Padua, Italy, from 16 to 18 November, 2016. All speakers presenting a paper at this conference can submit a manuscript for publication. For further information contact the editorial office (ijms@mdpi.com).

About the Journal

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
