

Special Issue

Immunotherapy of Melanoma: Challenges and Solutions

Message from the Guest Editor

This Special Issue of IJMS “Immunotherapy for Melanoma: Current and Future Perspectives” will focus on the discussion of various types of immunotherapeutic treatment modalities, the delineation of the detailed molecular basis of these approaches, understanding the potential limitations of these approaches, the proposition of strategies to curb adverse side effects, deciphering the molecular mechanisms of resistance to immune-based approaches, and suggestions for improving the efficacy of immunotherapy in the treatment of advanced malignant melanoma.

Guest Editor

Dr. Ali Jazirehi

Department of Biological Sciences, College of Natural and Social Sciences, California State University, Los Angeles (CSULA), Los Angeles, CA, USA

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. José L. Quiles
Department of Physiology, Institute of Nutrition and Food Technology
"Jose Mataix", Biomedical Research Center, University of Granada,
Avda. Conocimiento s/n, 18100 Armilla, Granada, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Inorganic Chemistry)
