

Special Issue

A Molecular Perspective on Reproductive Health

Message from the Guest Editor

I am very pleased to invite you to submit your contributions to this Special Issue of the *International Journal of Molecular Science*, which is focused on a molecular perspective of reproductive health. Reproduction, as with any other physiological function, is molecular based, and its comprehension will result in a better understanding of the mechanisms behind it. A better understanding of its molecular functioning may supply tools that could be useful in the diagnosis, treatment, and prognosis of reproductive pathologies, thus improving the clinical approach and, in turn, providing better solutions to the patients.

Guest Editor

Dr. Maria Montserrat Rivera Del Álamo
Department of Animal Medicine and Surgery, Veterinary School,
Universitat Autònoma de Barcelona, 08193 Bellaterra, Spain

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. José L. Quiles
Department of Physiology, Institute of Nutrition and Food Technology
"Jose Mataix", Biomedical Research Center, University of Granada,
Avda. Conocimiento s/n, 18100 Armilla, Granada, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)
