Latest Review Papers in Biochemistry-withdrawn

Message from the Collection Editor

We would like to announce a Special Issue seeking high-quality manuscripts on the latest trends in biochemistry. We are seeking review papers on topics that cover all aspects of experimental and computational biochemistry, specifically work that highlights and comprehensively reviews the latest developments in the field.

About the Journal

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
