

Special Issue

Recent Advances in Molecular Targets for Treatment and Drug Delivery in Tumors: 2nd Edition

Message from the Guest Editor

We are pleased to invite you to contribute to our Special Issue of the *International Journal of Molecular Sciences* (*IJMS*), entitled “Recent Advances in Molecular Targets for Treatment and Drug Delivery in Tumors: 2nd Edition”, in order to present recent advances in the field of molecular targeting, and bring novel ideas to the scientific community. This Special Issue aims to expand current knowledge about the following topics:

- The newly discovered molecular targets in tumors;
- Recent advances in drug design based on molecular targets;
- Recent advances in drug delivery strategies;
- Molecular-targeted therapeutic strategies.

In this Special Issue, original research articles and reviews are welcome for submission. I look forward to receiving your contributions.

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. José L. Quiles
Department of Physiology, Institute of Nutrition and Food Technology
"Jose Mataix", Biomedical Research Center, University of Granada,
Avda. Conocimiento s/n, 18100 Armilla, Granada, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)
