

Special Issue

MicroRNAs and Long Noncoding RNAs in Tumor Microenvironment

Message from the Guest Editor

This Special Issue of *IJMS* will cover a selection of recent research topics and current review articles related to the role of microRNAs and long noncoding RNAs in tumor microenvironment. Up-to-date review articles, commentaries and experimental papers are all welcome.

About the Journal

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
