

Special Issue

Structural Variability and Flexibility of the Genome

Message from the Guest Editor

For this Special Issue, we look forward to receiving original research manuscripts as well as methodological and review articles, with a special focus on structural variability and flexibility of the genome, which can be observable on variant levels (e.g., copy number variants of heterochromatic and euchromatic material, mechanisms of genetic silencing, position effects, 3D structure of the nucleus, epigenetic mechanisms). We are confident that different aspects of eukaryote genome complexity in one volume will provide an important contribution to molecular genetics and genomics.

Guest Editor

Dr. Thomas Liehr

Institute of Human Genetics, Jena University Hospital, Jena, Germany

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. Maurizio Battino

Department of Odontostomatologic and Specialized Clinical Sciences,
Sez-Biochimica, Faculty of Medicine, Università Politecnica delle
Marche, Via Ranieri 65, 60100 Ancona, Italy

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore
- Q1 (Organic Chemistry)
