Genetic and Metabolic Molecular Research of Lysosomal Storage Disease 2.0

Message from the Guest Editor

Lysosomal storage diseases (LSD) are a group of inherited metabolic disorders in which the defects of various lysosomal enzymes and regulatory proteins result in the accumulation of different macromolecules in these organelles. This Special Issue is devoted to publishing the results of such studies, including basic research on the molecular mechanisms of LSD, translational studies on novel therapies, and clinical investigations performed at the molecular level. Review articles on all these aspects are also welcome. Therefore, this Special Issue shall provide a comprehensive view on molecular aspects of various LSD.

Guest Editor

Prof. Dr. Grzegorz Wegrzyn

Department of Molecular Biology, University of Gdańsk, Gdańsk, Poland

About the Journal

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. Maurizio Battino

Department of Odontostomatologic and Specialized Clinical Sciences,
Sez-Biochimica, Faculty of Medicine, Università Politecnica delle
Marche, Via Ranieri 65, 60100 Ancona, Italy

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore
- Q1 (Organic Chemistry)
