

Special Issue

Thalamus and Behavioral Neuroscience

Message from the Guest Editor

Recently, the thalamus and thalamic circuit has been suggested to be important in the behavior of human and animal. This Special Issue will cover various levels of research from molecular/cellular studies to human studies reporting the association between thalamus and various feature of behaviors. The scope of the topics includes but is not limited to emotion, cognition, sleep/biological rhythm, eating, instinct, addiction, brain development, response to stress/trauma and behaviors. Studies in this special issue will show the role of thalamus or thalamic circuits in the emotion, cognition, and behavior of human and animal. In addition, they will help neurobiological understanding for human behavior, psychology and psychopathology. Prof. Dr. Seog-ju Kim

About the Journal

Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. Maurizio Battino

Department of Odontostomatologic and Specialized Clinical Sciences,
Sez-Biochimica, Faculty of Medicine, Università Politecnica delle
Marche, Via Ranieri 65, 60100 Ancona, Italy

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore
- Q1 (Organic Chemistry)
