

## Special Issue

# Feature Paper Special Issue for Editorial Board Members (EBMs) of Immuno

### Message from the Guest Editor

This Special Issue of *Immuno* is dedicated to recent advances in immunological research and clinical applications and will showcase a selection of exclusive papers of the Editorial Board Members (EBMs) of *Immuno*. It specifically focuses on highlighting recent interesting investigations conducted in the laboratories of our section's EBMs and represents our young section as an attractive open-access publishing platform for immunology research data.

### Guest Editor

Prof. Dr. Toshihiko Torigoe

Department of Pathology, Sapporo Medical University School of Medicine, S-1, W-17, Chuo-ku, Sapporo 060-8556, Japan

### Deadline for manuscript submissions

closed (1 June 2023)

#### Author Benefits

##### Open Access:

free for readers, with article processing charges (APC) paid  
by authors or their institutions.

##### High Visibility:

indexed within ESCI (Web of Science), Scopus, EBSCO,  
and other databases.

##### Rapid Publication:

manuscripts are peer-reviewed and a first decision is  
provided to authors approximately 31.6 days after  
submission; acceptance to publication is undertaken in 2.9  
days (median values for papers published in this journal in  
the first half of 2025).
