Message from the Guest Editors

Dear Colleagues,

Information proposes a Special Issue on “Information Technology: New Generations”. This Special Issue intends to contain a selection of carefully revised and extended papers to be presented at the ITNG 2020 and ITNG 2021, to be held in Las Vegas, Nevada, USA, 8–11 April 2020 and 11–14 April 2021. Contributors are invited to submit original papers dealing with state-of-the-art technologies pertaining to digital information and communications for publication in this Special Issue of the journal. The papers need to be submitted to the Guest Editor by email: dbein@fullerton.edu (or the *Information* Editorial Office: information@mdpi.com). Please follow the instructions available here regarding the number of pages and page formatting. The research papers should reach us latest by 30 September 2021.

Message from the Editor-in-Chief

The concept of *Information* is to disseminate scientific results achieved via experiments and theoretical results in depth. It is very important to enable researchers and practitioners to learn new technology and findings that enable development in the applied field.

Information is an online open access journal of information science and technology, data, knowledge and communication. It publishes reviews, regular research papers and short communications. We invite high quality work, and our review and publication processing is very efficient.
