Message from the Guest Editors

Dear Colleagues,

The contributions for this Special Issue aim to analyse the challenges of emerging smart digital ecosystems and advanced applications. The papers propose solutions from the ICT field, including smart communities, to highlight possible advances in addressing the challenges of digital ecosystems in the emerging knowledge and digital society. The papers from all ICT fields or domains offer a multidisciplinary approach to help decision makers better understand the opportunities offered by digital ecosystems and advanced applications.

Message from the Editor-in-Chief

The concept of *Information* is to disseminate scientific results achieved via experiments and theoretical results in depth. It is very important to enable researchers and practitioners to learn new technology and findings that enable development in the applied field.

Information is an online open access journal of information science and technology, data, knowledge and communication. It publishes reviews, regular research papers and short communications. We invite high quality work, and our review and publication processing is very efficient.
