Message from the Guest Editor

Dear Colleagues,

Social media has become a popular method of communication among people from all over the world. It is used as a platform for everyday interactions and knowledge sharing in private and business life. Knowledge management, trust and communication have emerged as a key discipline to explain organizational learning and innovation. The aim of the Special Issue is to highlight the wide-ranging research about trust, knowledge management, and communication in the era of social media.

Message from the Editor-in-Chief

The concept of *Information* is to disseminate scientific results achieved via experiments and theoretical results in depth. It is very important to enable researchers and practitioners to learn new technology and findings that enable development in the applied field.

Information is an online open access journal of information science and technology, data, knowledge and communication. It publishes reviews, regular research papers and short communications. We invite high quality work, and our review and publication processing is very efficient.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High visibility: indexed by Ei Compindex, Scopus (Elsevier), Emerging Sources Citation Index (ESCI - Web of Science) and other databases.

Rapid publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 18.9 days after submission; acceptance to publication is undertaken in 4.5 days (median values for papers published in this journal in the first half of 2019).
