Deadline for manuscript submissions: closed (30 November 2022)

# Dear Colleagues,

Knowledge management, trust, and Corporate Social Responsibility are topics of research in many disciplines and are recognized as essential concepts in social and professional life. In the era of social media, the roles of these disciplines have expanded, and new research is needed. The aim of the Special Issue is to highlight the wide-ranging research about trust, knowledge management, and Corporate Social Responsibility in the social media era.

School of Computer Science and Software Engineering, University of Wollongong, Northfields Avenue, Wollongong, NSW 2522, Australia

### Message from the Editor-in-Chief

The concept of *Information* is to disseminate scientific results achieved via experiments and theoretical results in depth. It is very important to enable researchers and practitioners to learn new technology and findings that enable development in the applied field.

*Information* is an online open access journal of information science and technology, data, knowledge and communication. It publishes reviews, regular research papers and short communications. We invite high quality work, and our review and publication processing is very efficient.

# **Author Benefits**

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions. **High Visibility:** indexed within Scopus, ESCI (Web of Science), Ei Compendex, dblp, and other databases. **Journal Rank:** CiteScore - Q2 (*Information Systems*)
