Environmental Engineering,
Wayne State University, Detroit,
MI 48202, USA

Deadline for manuscript
submissions:

closed (30 May 2018)

Message from the Guest Editors

The upcoming conference REAL CORP 2018 will support this Special Issue by bringing together the best literature and presentation papers, and hence illustrate the current state-of-the-art, as well as present projects and approaches for the use of future technology in the cities of today and tomorrow.

Keywords:

- Facts behind Urban Expansion Around the World
- Exceeding the City Limits and Basic Services
- Vacant Urban areas, Countryside
- Cities as Liveable, Accessible, Human-Oriented Places

an Open Access Journal by MDPI

Editor-in-Chief

Dr. Pedro Arias-Sánchez

Department of Natural Resources
and Environmental Engineering,
School of Mining Engineering,
University of Vigo, 36310 Vigo,
Spain

Message from the Editor-in-Chief

You are invited to contribute a research article, review or short communication for consideration and publication in *Infrastructures* (ISSN 2412-3811). There is no restriction on the length of the papers. *Infrastructures* is published in open access format. The scientific community and general public have unlimited free access to the content as soon as it is published. *Infrastructures* is supported by the authors by the payment of article processing charges for accepted manuscripts. Please consider *Infrastructures* as an exceptional opportunity to publish your work.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, ESCI (Web of Science), Inspec, and other databases.

Journal Rank: JCR - Q2 (Construction and Building Technology) / CiteScore - Q1 (Building and Construction)
