

Dear Colleagues,

As Editor-in-Chief of *Journal of Clinical Medicine*, I am pleased to announce the winner of the 2017 Travel Award sponsored by our journal.

The Travel Award (700 Swiss Francs) is granted to **Ms. Elly Marcq, PhD** student at Center for Oncological Research, University of Antwerp, Belgium, whose research on mesotheliomas is groundbreaking.

From the applications received, it is obvious that there was a large pool of highly qualified candidates that deserve this award. Given the fact that only one award was available, it was not a simple task to select the winner this year. Please join me in congratulating Elly Marcq for a well-deserved prize.

Jane Grant-Kels
Editor-in-Chief
