Deadline for manuscript submissions:  
15 January 2023

Message from the Guest Editors

For this Special Issue, we invite authors working in the field to submit state-of-the-art original research and comprehensive reviews that encompass the current landscape of human papillomavirus clinical research, from infection to cancer. Although the primary focus is on oral infection/disease, we will consider relevant manuscripts from other disease sites.

Keywords:

- HPV
- head and neck carcinomas
- cervical carcinomas
- anogenital carcinomas
- diagnostics
- therapeutics
- immunotherapy
- biomarkers
- prognosis
