and Community Health,
Ospedale Maggiore Policlinico
Pad. Monteggia, Milan, Italy

Message from the Guest Editor

We invite investigators to contribute with review articles focused on discussing the relationship between rhinosinusitis and asthma in children, as well as the more proper diagnostic and therapeutic strategies in these patients. Potential topics may include, but are not limited to:

Deadline for manuscript
submissions:

closed (31 August 2019)

- Microbiological aspects of acute and chronic rhinosinusitis
- The link between paediatric rhinosinusitis and asthma
- Nitric oxide and biological mediators in paediatric rhinosinusitis and asthma
- The allergology basis of paediatric rhinosinusitis and asthma
- Imaging in the diagnostic management of paediatric rhinosinusitis
- Medical treatment of paediatric rhinosinusitis
- Surgical treatment paediatric rhinosinusitis
- Chronic rhinosinusitis in children with systemic disease

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's (JCM)* staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (Medicine, General and Internal) / CiteScore - Q1 (General Medicine)
