

## Special Issue

# Innovative Approaches to the Epidemiology, Diagnosis, and Treatment of Systemic Sclerosis: Bridging Gaps in Early Detection and Personalized Therapy

### Message from the Guest Editor

I am pleased to invite you to contribute to a Special Issue of the *Journal of Clinical Medicine* focusing on “Innovative Approaches to the Epidemiology, Diagnosis, and Treatment of Systemic Sclerosis: Bridging Gaps in Early Detection and Personalized Therapy”. Potential topics include, but are not limited to:

- Novel epidemiological trends and risk factors;
- Advances in early diagnostic tools and biomarkers;
- Personalized medicine and innovative therapeutic approaches;
- Challenges in patient management and long-term outcomes.

We believe that your work could significantly contribute to this Special Issue and inspire future research in systemic sclerosis. If you are interested, please let us know your proposed topic and timeline. Thank you for considering this invitation. We look forward to the possibility of our future collaboration.

### Guest Editor

Dr. Antonio-Javier Chamorro

1. Department of Medicine, Faculty of Medicine, University of Salamanca, 37007 Salamanca, Spain
2. Department of Internal Medicine, University Hospital of Salamanca-IBSAL, 37007 Salamanca, Spain

### Deadline for manuscript submissions

20 October 2025

## About the Journal

### Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!
