

## Special Issue

# Paradigms, Advances and Future Directions in Oral Medicine

### Message from the Guest Editor

There have been remarkable advances in the field of oral medicine. However, research is still needed in many areas of oral medicine, such as potentially malignant disorders, dermatologic diseases of the oral cavity, and orofacial pain. The development and advancement of diagnostic techniques and treatments, many of them minimally invasive, have led to improvements in diagnoses and quality of life. In this Special Issue, we invite authors to present papers on clinical advances in oral medicine diagnostics and treatment.

### Guest Editor

Prof. Dr. Pia Lopez-Jornet

Oral Medicine in the Department of Stomatology, Faculty of Dentistry, University of Murcia, 30008 Murcia, Spain

### Deadline for manuscript submissions

20 July 2026

## About the Journal

### Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

### Editors-in-Chief

Prof. Dr. Emmanuel Andrès

Internal Medicine Department, University Hospital Strasbourg, 67081  
Strasbourg, France

Prof. Dr. Kent Doi

Department of Emergency and Critical Care Medicine, The University of  
Tokyo, Tokyo, Japan

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPLus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q1 (General Medicine)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 18.5 days after submission; acceptance to publication is undertaken in 2.7 days (median values for papers published in this journal in the second half of 2025).
