

## Special Issue

# Challenges and Opportunities in the Application of Abdominal Imaging

### Message from the Guest Editors

Technological advancements in diagnostic and therapeutic imaging have progressively developed in the last decade in the most varied areas of abdominal pathology, increasingly becoming organ-specific and organ pathology imaging. This Special Issue takes a close look at the challenges and advances in diagnostic abdominal imaging and imaging-guided therapeutic instances in different clinical scenarios, both traditional and experimental, with careful analyses of the increasingly widespread use of artificial intelligence abdominal applications. Authors can submit original articles, reviews, or short communications. We encourage submissions from clinical, translational, and basic research that focus on the challenges and opportunities in the application of abdominal imaging.

### Guest Editors

Dr. Marco Di Serafino

Department of General and Emergency Radiology, "Antonio Cardarelli" Hospital, A. Cardarelli St. 9, 80131 Naples, Italy

Dr. Francesca Iacobellis

Department of General and Emergency Radiology, "Antonio Cardarelli" Hospital, A. Cardarelli St. 9, 80131 Naples, Italy

### Deadline for manuscript submissions

closed (25 June 2024)

## About the Journal

### Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

### Editors-in-Chief

Prof. Dr. Emmanuel Andr  s

Internal Medicine Department, University Hospital Strasbourg, 67000  
Strasbourg, France

Prof. Dr. Kent Doi

Department of Acute Care Medicine, University of Tokyo, Tokyo, Japan

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q1 (General Medicine)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 17.7 days after submission; acceptance to publication is undertaken in 2.7 days (median values for papers published in this journal in the first half of 2025).
