

Special Issue

Insights into Oral and Maxillofacial Surgery

Message from the Guest Editors

Oral and maxillofacial surgery (OMFS) is a rapidly evolving field encompassing a wide range of subspecialties. This Special Issue aims to highlight recent clinical advances and emerging trends in OMFS, including trauma management, orthognathic surgery, sleep apnea treatment, head and neck oncology, reconstructive surgery, temporomandibular joint disorders, oral surgery, cervicofacial infections, dental implant surgery, and dental rehabilitation.

We invite submissions of original research articles and comprehensive reviews that present innovative approaches and new perspectives to advance clinical practice and improve patient outcomes in OMFS.

Guest Editors

Dr. Gian Battista Bottini

Department of Oral and Maxillofacial Surgery and Center for Reconstructive Surgery, Paracelsus Medical University, 5020 Salzburg, Austria

Dr. Konstantinos Mitsimponas

The James Cook University Hospital, Middlesbrough, UK

Deadline for manuscript submissions

20 October 2026

About the Journal

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

Editors-in-Chief

Prof. Dr. Emmanuel Andrès

Internal Medicine Department, University Hospital Strasbourg, 67081
Strasbourg, France

Prof. Dr. Kent Doi
