

Special Issue

Evolving Therapies in Metastatic Prostate Cancer

Message from the Guest Editors

Welcome to this Special Issue of "Evolving Therapies in Metastatic Prostate Cancer".

Challenges with the appropriate sequencing of the multitude of new medications available for metastatic prostate cancer are now faced by clinicians. We hope that you gain additional knowledge regarding the prostate cancer treatment landscape currently available for patients with metastatic prostate cancer.

About the Journal

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

Editors-in-Chief

Prof. Dr. Emmanuel Andr  s

Internal Medicine Department, University Hospital Strasbourg, 67000
