

## Special Issue

# Advanced Research in Myopia and Other Visual Disorders

### Message from the Guest Editors

In this special issue, we invite original articles or reviews focused on the following, but not limited, potential topics:

- Prevalence studies of myopia or other visual disorders
- Risk and prevention factors of myopia or other visual disorders
- Treatment and control methods of myopia or other visual disorders
- Methods for detecting and measuring the risk of developing myopia or other visual disorders
- Visual function and quality of life
- Ocular pathologies in childhood.

---

## About the Journal

### Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!
