

## Special Issue

# European Independent Foundation in Angiology/Vascular Medicine (VAS) Collection on Vascular Medicine

### Message from the Guest Editors

This Special Issue is a collection of selected papers from the European Independent Foundation in Angiology/ Vascular Medicine (VAS) (<https://www.vas-int.net/>). VAS is the affiliated society of the *Journal of Clinical Medicine* (JCM). The aim of the VAS collection is to stimulate updated knowledge and further International collaboration, offering reviews on selected aspects of Angiology/Vascular Medicine. This 2023 edition will focus on the impacts of ageing, vascular literacy, gender difference, and co-morbidities, including diabetes and cancer, on peripheral vascular disease. We also accept original papers on the current perspectives on relevant and emerging topics in Angiology/Vascular Medicine, including epidemiology, pathophysiology, diagnostic tools, and therapeutic intervention.

### Guest Editors

Dr. Aaron Liew

Dr. Endre Kolossvary

Prof. Dr. Matija Kozak

### Deadline for manuscript submissions

closed (31 March 2025)

## About the Journal

### Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!
