

Special Issue

Clinical Management of Uterine Fibroids

Message from the Guest Editor

We are calling for submissions discussing up-to-date management paradigms for patients with symptomatic uterine fibroids. Original research and review articles are welcome. The scope of the issue is all-encompassing and can include epidemiology, clinical work-up, imaging diagnoses, pathophysiology and histology, treatment options (medical management, surgical options, interventional radiology), fertility issues, and future directions for treatment.

Guest Editor

Dr. Pratik A. Shukla

Department of Radiology, Rutgers New Jersey Medical School, Newark, NJ, USA

Deadline for manuscript submissions

About the Journal

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!
