Special Issue

Compulsive and Impulsive Disorders: Symptoms, Mechanisms and Therapeutic Approaches

Message from the Guest Editor

In this Special Issue of the Journal of Clinical Medicine, we are welcoming papers that examine both the specificities (subtypes) within these disorders and their common transdiagnostic mechanisms to help redefine their limits and propose new treatments.

- obsessive-compulsive disorder
- compulsive behavior
- body dysmorphic disorder
- hoarding
- trichotillomania
- disruptive, impulse control, and conduct disorders
- addictive behavior

Please click here to find information! Welcome to contribute!

About the Journal

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine*'s (*JCM*) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

Editors-in-Chief

Prof. Dr. Emmanuel Andrès

Internal Medicine Department, University Hospital Strasbourg, 67000 Strasbourg, France

Prof. Dr. Kent Doi

Department of Emergency and Critical Care Medicine, University of Tokyo, Tokyo, Japan

Author Benefits
