

## Special Issue

# Clinical Management of Movement Disorders (Second Edition)

### Message from the Guest Editor

After the success of the Special Issue “[Clinical Management of Movement Disorders](#)”, this second edition aims to collect high-quality reviews, meta-analyses, and original articles with a potential impact on the clinical management of movement disorders. The Special Issue focuses on all aspects of clinical management, from relevant diagnostic techniques through to disease progression, symptom monitoring tools, and treatments. Advanced new technologies for personalized therapeutics are also welcome, along with classic overviews on phenomenology, investigative, translational, and treatment aspects.

### Guest Editor

Dr. Lazzaro di Biase

Neurology Unit, Campus Bio-Medico University Hospital Foundation,  
Via Álvaro del Portillo 200, 00128 Rome, Italy

### Deadline for manuscript submissions

closed (30 September 2025)

## About the Journal

### Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!
